

Byrnes And Molotov In Floor Clash At Conference

Paris, Aug. 6 (AP)—The peace conference rules committee today voted down a proposal by Foreign Minister Jan Masryk of Czechoslovakia to appoint a subcommittee to study the various proposals for voting procedure. The vote was 11 to 8, with two nations abstaining and with Britain and the United States lining up on opposite sides of the question.

Prime minister V. M. Molotov then suggested that a two-thirds majority be required in committee to adopt any of the proposals on voting procedure.

Secretary of State Byrnes immediately pointed out that the procedure suggested by the foreign ministers council called for a simple majority vote on procedural matters and said "I am really surprised that the representative of the Soviet Union has suggested this."

Paris, Aug. 6 (AP)—Secretary of State James F. Byrnes and Soviet Foreign Minister V. M. Molotov clashed on the floor of the Paris peace conference rules committee today, Byrnes charging the Russian with seeking dictation to the conference through the Big Four and Molotov replying that the Big Four was an American idea.

Byrnes, replying to the Russian's charges of inconsistency led copiously from "the record" and challenged Molotov to see that the United States delegate's remarks were published in the Soviet Union.

Charges inconsistency
Molotov repeated his charges of inconsistency. He said Byrnes was speaking "in a serious and angry tone" and declared "we, almost alone, have to defend the agreed decisions" of the foreign ministers of the four principal powers, Russia, Britain, France and the United States.

He accepted Byrnes' challenge to have the Secretary of State's remarks published in the Russian press.

The exchange took place in the second week of arguments as to whether the committee will recommend a rule that a simple majority or two-thirds majority vote will be required for the full conference to pass treaty recommendations on to the foreign ministers council of four for final action.

Molotov challenged
The American delegate also challenged the accuracy of Molotov's statement before the peace conference rules committee yesterday, when he accused Byrnes of inconsistency for supporting a proposal by Prime Minister W. L. Mackenzie King of Canada that the foreign (Please Turn to Page 2)

New York, Aug. 6 (AP)—Albania's Soviet-supported bid for membership in the United Nations was bitterly opposed today by Greece, which charged that Albania could not qualify in the role of a peace-loving state as required by the U. N. charter.

Rome, Aug. 6 (AP)—Four policemen and "many more" peasants were reported killed today in fighting near Palermo between Carabinieri and Sicilian peasants in revolt against consigning their crops to the government's "granaries of the people."

Somerville, N. J., Aug. 6 (AP)—August Bernard Doak, 29-year-old escaped Michigan convict, pleaded guilty to the kidnapping of a New Jersey State Trooper five days ago and was sentenced immediately to life imprisonment at hard labor.

Harrisburg, Aug. 6 (AP)—Governor Martin announced today a five to 15 per cent salary increase for nearly 41,000 state employees, based on 1939 September, 1942, salaries. The cost-of-living boost, estimated by the governor to cost between \$7,000,000 and \$8,000,000 a year, became effective August 1.

Goshen, N. Y., Aug. 6 (AP)—A field of 11 three-year old trotters, headed by the \$40,000 California Hope, Chestertown, from the barn of Walter E. Smith of Los Angeles, was entered today for tomorrow's 21st running of the Hambletonian at Good Time track.

Washington, Aug. 6 (AP)—The government's \$1,600,000,000 public works program ground to a virtual halt today. Federal agencies—under presidential edict—set about choosing \$700,000,000 worth of construction to defer at least until spring.

New York, Aug. 6 (AP)—The anti-trust division of the Department of Justice today filed a civil suit in federal court against the Mortgage Conference of New York, the Savings Bank Trust company of New York, and 37 members of the conference, charging a conspiracy to suppress competition in the making of mortgage loans and in operating real estate in the New York city area.

PRICE THREE CENTS

COUNCIL MAY BUY CYCLE FOR LOCAL POLICE

Borough council, at its regular August meeting at the engine house Monday night referred to its safety committee a proposition to purchase a motorcycle for the police department, and gave a special committee authority to purchase a new truck for the highway department from government stock at Letterkenny.

Prices were submitted on a motorcycle, but if the safety committee recommends the purchase of one, bids will be requested, it was decided. A Chambersburg dealer quoted a price of \$644, or \$792.40 with a sidecar.

LeRoy H. Winebrenner, borough engineer, reported that the War Assets corporation would sell government trucks to counties and municipalities at Letterkenny August 21 and 22. Council adopted a motion authorizing its president, Ray M. Hoffman, to name a committee to go to the sale, with power to buy if a truck is found suitable to the borough's needs. Named on the committee were Councilmen H. M. Oyler, George March and L. D. Shealer.

To Improve Tiber

Council adopted a resolution approving the general plans submitted July 1 by the firm of Gannett, Fleming, Corddry and Carpenter, Inc., for the improvement of Stevens Run, (The Tiber) and approved an agreement with the Reading railroad company for placing a new sewer line under the company's tracks to the plant of the Inductive Equipment corporation.

A new sewer will be laid from South Washington street to Queen street, over a new right of way to be dedicated as a street, Mr. Winebrenner also said. Plans for the 50-foot street are being prepared. The land is being given to the borough by William Johns.

Council authorized advertisement for bids for 1,000 feet, more or less, of sewer pipe for this and other sewers within the borough. Mr. Winebrenner submitted a report on a new type of sewer pipe manufactured by the Johns Manville company which he said could be bought for 62 cents a foot in car-load lots, the company furnishing a man to make the joints. The price would be 68 cents in less than car-load lots, he said. Sewer pipe bids will be opened at the next meeting of the council in September.

Requests Bus Space

Council referred to its ordinance committee a request from Earl Wineman, Spring avenue, a driver for the Greyhound company, for parking space for two buses on North Washington street, and to the utility committee Mr. Wineman's request for a new street light on Springs avenue in the center of the second block. Mr. Wineman also said there was no fire plug on Springs avenue between Buford and Howard avenues. This matter was referred to the safety committee. Council also referred to the utility committee a request for a new street light at the end of York street.

Glenn Little, who recently purchased the Weikert Taxi Service, appeared before the council to request three taxi spaces on Center Square instead of two, and offered to donate \$50 a year for each space to the borough. His request was referred to the safety committee.

Permission was granted to the Warner hospital to build a street entrance driveway to the new hospital parking lot. The entrance will be 24 feet wide, with curbs instead of a ramp, the borough engineer said. The borough will donate the amount of the driveway fee to the hospital.

A new contract for chlorine was authorized.

The Gettysburg fire company will not get the new fire hose which the borough ordered for it, council was informed by Mr. Winebrenner. He said that the War Assets corporation reported that available stock had been exhausted.

Firemen Advance August Meeting

The Gettysburg fire company will meet Wednesday evening at 7:30 o'clock in the firemen's retreat in South Mountains. Chief James A. Aumen announced today.

The session was advanced one week, Aumen said, in order that the company could arrange for the parade August 14.

U. B. PICNIC THURSDAY

The Memorial United Brethren Sunday school picnic scheduled to be held last Thursday afternoon at Natural Springs park was postponed due to inclement weather and will be held Thursday afternoon of this week at the same hour as previously announced. Transportation will be furnished everybody, leaving the church at 2:30 o'clock. Lunch will be served at 6:30 o'clock.

See our summer clearance advertisement on page 2. Virginia Myers, Baltimore Street.

Plan School For Borough Officers

Permission was granted by borough council Monday night to state and federal authorities to hold a municipal officers' school here for borough officers from Gettysburg and upwards of ten other communities in this area.

All expenses of the school except the cost of text books will be met by the state Department of Public Instruction, Burgess C. A. Heiges told council. The books cost \$2 each, he said. Borough employees will not be required to attend unless they desire to do so.

The school is for borough chiefs, treasurers, police chiefs and other officers, the burgess reported. The date was not set.

VALIDITY OF CURFEW LAW QUESTIONED

Gettysburg's old curfew law which was recently re-invoked by Burgess C. A. Heiges to keep youngsters off the borough streets at late hours, hit a snag at Monday night's meeting of the borough council at the engine house.

The burgess said the present ordinance makes it unlawful for boys under 16 or girls under 18 to be on the streets after 9 p.m., standard time. He said he thought the age limits were the wrong way around, and said he thought it should be 18 for boys.

"If any changes are made, however, I believe that the age should be 16 for both boys and girls," the burgess declared.

Council President Ray M. Hoffman questioned the validity of the curfew law, although he said he was not against it. Action on changes in it were held over until the September meeting and the matter was referred to Attorney Eugene V. Bulleit, borough solicitor, for an opinion on the validity of the ordinance.

"Need Curfew Law"

Burgess Heiges said there was ample need for a curfew law or some action which would keep youngsters off the streets late at night. He referred also to articles in The Gettysburg Times relative to noise on the streets at night, and admitted "there is a lot of it," but he criticized the newspaper's publishing of unsigned communications.

"When I get an anonymous letter I throw it in the waste basket," he said.

(Editor's note: The Gettysburg Times does not publish anonymous communications. It does, however, publish communications without revealing the name of the author if the author so requests. All communications are subject to editorial scrutiny and judgement before publication.)

BENDERSVILLE PREPARES FOR FIRE CARNIVAL

Bendersville today looked forward to welcoming guests by the hundreds and possibly by the thousands to its annual three-day firemen's carnival, starting Thursday and to be climaxed Saturday with a welcome home dedicatory service for the area's veterans.

Dewey McCauslin, president of the fire company at Bendersville and general chairman for the three-day event, today invited all veterans in the section to be present in uniform Saturday afternoon at 5 o'clock for the dedicatory exercises at the "Apple Bowl," the new ball diamond developed in Bendersville as a memorial to the vets of World War II.

Games, rides, and entertainment are listed for the annual affair scheduled to open Thursday night when the Vigilant Fire company band of York will be on hand to provide musical entertainment for those attending.

Blue and Gray Concert

Friday night "Happy Johnny and His Gang" from Baltimore will entertain and Saturday the Blue and Gray band of Gettysburg will provide the concert.

The "Apple Bowl" will be used for free parking with traffic entering from the east end at the fire hall and leaving from the west end of the bowl through a public alley leading into Hill street, Chairman McCauslin said today. No parking will be permitted on Railroad street on which is located the entrance to the carnival grounds and the "Apple Bowl," he added.

Solicitation committee members were busy today securing donations for the annual carnival. Solicitors in the Wensville section are Guy Rex, Guy Wenk, Emmert Warren (Please Turn to Page 2)

36 LIONS GET EMBLEMS FOR ATTENDANCE

Gettysburg Lions at their weekly dinner meeting Monday evening at Woodlawn park extended an invitation to the members of the Fairfield Lions club to join them at a meeting Monday evening, August 19, at Woodlawn.

Thirty-six members of the local service club—approximately half of the present membership and more than half of the members who joined the club a year or more ago—received perfect attendance awards at Monday's meeting. The Lions emblems distributed by President Milton R. Remmel and Secretary Robert Smith indicated a perfect attendance record during a contest period from last September to May.

Some of the Lions kept their record perfect by "making up" absences at local club sessions by attending meetings of nearby Lions clubs.

Working on Float

The list of Lions receiving the annual awards follows: Robert E. Berkheimer, Glenn L. Bream, Henry T. Bream, Richard A. Brown, C. Paul Cenna, Jennings B. Collins, Fred Faber, M. P. Hartzell, Sr., D. E. Hess, Major John C. Hollinger, Kenneth P. Hull, Arthur E. Hutchison, L. C. Keefeauver, G. W. Lefever, Radford Lippy, Hugh C. McIlhenny, Paul R. Mehring, Dr. J. J. Munley, D. E. Myers.

Ralph Z. Oyler, Sydney Poppay, George T. Raffensperger, Milton R. Remmel, Elmer H. Schriver, Robert E. Sheads, James Shenk, Floyd Shetter, Robert Smith, S. P. Swope, Fred G. Troxell, Richard Warren, Clarence J. Waybright, J. Herbert Weikert, Roy W. Wentz, Dr. R. D. Wickerham and Charles R. Wolfe.

Major Hollinger reported to the club on progress being made on plans for the float to be entered by the club in the Welcome Home parade here next week. The float committee met again after the club session.

President Remmel presided at the meeting with 48 members and guests in attendance. Softball and horse-shoes preceded and followed the club meeting.

CLUB COMING HERE

The Hanover Kiwanis club will hold a special meeting Thursday evening at 6:30 o'clock at the Shelter House, 428 Chambersburg Street. A turkey dinner is being planned.

Burgess Declares Mosquito Nuisance Has Become Worse

The mosquito nuisance, which has been something of a minor annoyance until recently, has become worse within the past few days, Burgess C. A. Heiges reported to the borough council Monday night.

The burgess has been active in running down information as to how this plague is being handled by other communities, and submitted reports on his findings to the mosquito committee Monday night.

In Delaware, for instance, according to the burgess, good results have been obtained in the war against the mosquitoes by treating sawdust with DDT and then dumping bags of it on ponds and low swampy places. Nassau County, N. Y., reported

SAYS DDT WILL BE REPLACED BY NEW SUBSTANCE

DDT, heralded as the miracle insecticide a few years ago, will probably be supplanted in some of its uses by new insecticides said to be four times as powerful and much less harmful now in the process of development, Mac Morton, Hagerstown, told members of the local Rotary club at their meeting Monday evening at the YWCA.

The new insecticide which is expected to be more powerful than DDT is now in the experimental stage and has not been released commercially, he added.

While DDT did wonders for the U. S. Army during World War II and proved the best insecticide yet invented for certain jobs, it was forgotten after being developed about 35 years ago by a German chemist who could find no particular use for the material.

Not a "Cure-All"

Several years ago some Swiss scientists going over the German's notes began experimenting with DDT and by a sheer accident the U. S. Army found it could use the material for the destruction of insects in general. With a war to be fought in areas of the world where the insect pests were almost as dangerous and annoying as the enemy, the army used great quantities of the material, Morton said.

While DDT is used now to a great extent commercially, original estimates that it would do all the work needed in combating orchard and vegetable pests were not borne out, due to the fact that the DDT killed too well in many instances, destroying beneficial as well as harmful insects, birds and other small animals.

While a kerosene base was used for spraying the DDT at first, the base caused such bad effects that a water mixture is being used now, generally with 5 per cent DDT, he said. While DDT is not the general "cure-all" that was thought at first, it has proven the best insecticide so far in many uses, he added. He showed various types of DDT, in powders and liquid form used commercially at present.

A total of 43 attended the meeting. A club assembly will be held Wednesday evening at 6 o'clock at the YWCA, it was announced. The president, Dr. Chester N. Gitt, presided.

OVERSEAS VET ELECTROCUTED IN FOREST PARK

Death came suddenly and violently to 22-year-old Jesse Oscar Lemmon, an ex-serviceman of Hanover R. D. 3, near Littlestown, Monday afternoon while he was preparing to paint a wired section of the roller coaster of Forest park, Hanover.

At approximately 1:40 p.m. Lemmon and Grover Albright, Hanover, employees of A. B. Thoman decorators, were moving a painter's swing toward the Baltimore street side of the roller coaster when they noticed that the section they were about to work in was strung with overhead wires.

Thinking that the wires would impede work, Albright said Lemmon told him that he thought he'd better see if they were loose, and he started climbing immediately.

Electrocuted

Upon touching the wires, he was electrocuted, Albright stated. He dropped 20 feet to the ground and was taken by ambulance to the Hanover General hospital.

He was reported to have been conscious until he was moved into the ambulance. Then he lapsed into semi-consciousness from which he never recovered despite administration of blood plasma and treatment for shock at the hospital.

Albright said that the painters had not been warned about live wires.

In Armed Forces 29 Months

Lemmon was in the armed forces during World War II for 29 months. A member of an anti-aircraft division in the South Pacific, he saw action on Saipan and also served in the Hawaiian Islands.

He was a member of the Hanover post, Veterans of Foreign Wars, and also a member of St. John's Lutheran church, Littlestown.

Lemmon's survivors are his wife, the former Geraldine Wildason; one son, Theodore L.; his parents, Mr. and Mrs. Oscar Lemmon; three brothers, John D. M. Pleasant; Luther N., Hanover, and Huleman F., U. S. Navy, stationed in San Francisco; four sisters, Mrs. Marcellus Wentz, Silver Run, Md.; Mrs. B. P. Smith, Hanover; Mrs. John Steich, Hanover, and Mrs. Thomas Sipling, Hanover, and his paternal grandmother, Mrs. Upton Lemmon, Pleasant Valley, Md.

Funeral services at 10 a.m. Thursday at J. W. Little and Son funeral home, Littlestown. Interment in Rest Haven cemetery, Hanover.

Gunpowder Found In Building Near Furniture Factory

Borough police today were investigating the placing of a dozen kegs of black powder, said to be one of the easiest ignited of all explosives, in an abandoned building on a furniture factory lot along Fourth street.

Chief of Police Robert C. Harpster said that the powder was found Monday afternoon when workmen of the furniture factory plant tore down the small building. Borough police acted as a guard about the explosive until the material could be removed to the state highway department magazine for safekeeping.

Police said the powder was said to have been stored in the outhouse by Wilbur Laughman, Fourth street, an employee of a Fairfield lumber concern.

Trains Cancelled Due To Derailment

A derailment of 22 coal-filled gondola cars which spilled tons of coal along the railroad right of way Sunday evening in a Reading company freight wreck at the Carlisle Junction tower, interrupted rail traffic from here to Harrisburg Monday.

Passengers on the local train leaving here Monday morning were taken as far as Mt. Holly Springs where a bus met the train and took the passengers to Harrisburg and the return evening passenger train was cancelled.

A hot journal box and a broken axle were blamed for the smash-up. Towermen said nearly 400 feet of track were torn up and coal was strewn for nearly 700 feet. Wrecking crews consisting of 100 section men and three relief trains with cranes succeeded in clearing the tracks at 7 o'clock Monday evening.

New York Cubans Meet Giants Here In V-J Day Tilt

The New York Cubans will be the team to meet the Baltimore Elite Giants in a regularly scheduled game in the National Colored Baseball League as one of the entertainment features for the afternoon of the Welcome Home celebration here Wednesday, August 14, it was announced today.

The same teams will play the preceding night in Baltimore and will go to Harrisburg after the game here.

The professional baseball game is one of two sports features on the Welcome Home Day program. The other is an all-star softball contest between local veterans. Former army men will play against ex-sailors. Both games will be played on Nixon Field at the college. The Cuban-Giant tilt is to start promptly at 3:30 o'clock while the softball game is set for 6 o'clock.

LEGION EXPECTS BUILDING PLANS IN FEW WEEKS

Detailed architect's plans for the new American Legion home on Baltimore street are expected to be received by the Albert J. Lentz Post No. 202 later this month. With their arrival, the post will be ready to advertise for bids.

A contract was let at the regular post meeting Monday night for the bowling alleys, to be located in the basement of the remodeled building.

The building committee said that when reconstruction work begins, the basement will be remodeled first, and when completed, will be used as post quarters while the upper floors are being remodeled. Arrangements will be made to hold post meetings elsewhere, however, during the building work.

Ask Holiday August 14

Estimated cost of the remodeling has been placed at \$75,000.

Forty-five new membership applications were accepted by the post Monday night, which brings the total membership of Lentz post to 1,208.

A committee, composed of Murray B. Frazee, Paul Rohrbach and Wilbert Baker, was named by Commander W. A. Geiselman to call on the Chamber of Commerce and request that all stores and business places in Gettysburg close all day August 14 for the "Welcome Home" celebration.

POLICE REPORT 88 ARRESTS IN JULY NET \$213

The borough police department made 88 arrests during July, according to the monthly report of Chief of Police Robert C. Harpster, submitted to the borough council at its meeting Monday night. Fifty-two were for motor violations, the report showed. From fines imposed the state will get \$184 and the borough \$213.

There were 32 arrests for disorderly conduct, with fines imposed of \$132. Four arrests were made for ignoring traffic violation tickets, the report said, and fines collected totaled \$23.

Two automobiles were recovered during the month. There were three automobile accidents, in which four persons were injured, and damage was estimated at \$3,200. A total of 397 parking tickets were issued and fines totaled \$331. Eighty-three minor complaints were investigated.

Burgess' Report

Burgess C. A. Heiges reported the following receipts for the month: Eight building permits, \$41; one sewer permit, 75 cents; theatre permit, \$700.50; three peddler permits, \$65; one driveway permit, \$16; 316 meter violation fines, \$316; five for parking opposite red line, \$3; one for parking too far from curb, \$2 and four for double parking, \$2, total, \$1,154.25.

The report of borough Treasurer John H. Basehore showed a balance at the end of July of \$40,944.02. Meter receipts were \$1,877.24, collected as follows: Center Square, \$419.92; Baltimore street, \$366.37; York street, \$354.31; Chambersburg street, \$425.21; Carlisle street, \$311.43.

BITTEN BY RATTLER

Charles Slonaker, 34, Arendtsville, was bitten by a rattlesnake Monday evening about 7:15 o'clock while clearing out a cranberry patch near his home. The snake said to be of good size, escaped after biting Slonaker's ankle. The Arendtsville man was treated by Dr. P. J. McGlynn, Biglerville.

STATE POLICE FILE "FRAUD" CHARGES HERE

Further developments in the efforts of state police to run down the itinerant stove menders who are alleged to have victimized several Adams county residents last May, were reported today when Criminal Investigator James Walsh of the Gettysburg sub-station filed three charges against a trio of Ohio men.

Trooper Walsh said the three are members of a "gypsy" tribe, several of whom have been prosecuted in Ohio for similar rackets. He gave their names as Jack and Donald Lovell or Lowell, brothers, and an uncle of the pair, Wester Lovell, Jr., or Lowell.

A relative of one of the victims copied the Ohio license number of the automobile used by the stove menders and gave it to Walsh, who traced the men through the cooperation of the Ohio state police by means of the license number and descriptions of the men.

In Nearby Camps

Walsh placed charges of cheating by false pretenses against the three men, who, he said, were part of a group of a dozen "gypsies" who camped last May at McKnightstown and at a trailer camp on the Harrisburg road a short distance outside the borough limits. The charges were laid with Justice of the Peace John H. Basehore.

One information charges that on or about May 18 the three defrauded James Keeney, York Springs R. 2, of \$37.50 and a yellow gold Elgin pocket watch valued at \$75 by telling him that they were representatives of the Wehrle Stove company, a firm no longer in existence, according to Walsh. The money and watch were for repairs to Keeney's stove.

On or about the same date the three men defrauded John Little, Straban township, of \$53 by representing themselves as connected with the Favorite Stove company, a second charge filed today says, and a third charges that they defrauded G. D. Morrison, former Sheriff, Straban township, of a Smith and Wesson revolver valued at \$45 after making repairs to his stove and representing themselves as connected with the Roversford Stove company.

Promised \$100 Premium

The technique, according to Walsh, was for the men to find out the make of stove, by going first to a neighbor, then calling on the "victim" and informing him that the company they represented was about to put on an advertising campaign in this section, and wanted to use the names of persons who had stoves which had been in use for 15 years or more and were in good condition.

They represented, according to Walsh, that their company would pay \$100 for the privilege of using the names. They then examined the stoves, and found that repairs were necessary to "put it in good condition," promising that an inspector for the stove company "would be around June 1" to pay them the "premium" for using their names.

COMMUNICATIONS

Aug. 6, 1946

Dear Sir: This is just another juvenile opinion of the curfew, and I am talking of my parents and a lot of other children's parents.

If the Town Council or Burgess would really get down to the bottom and get the older parents off the streets by 10 o'clock with the young generations we would not have examples to follow. The older people are the ones giving you the trouble. Then we suffer. Close up the bars by 10 o'clock, open up dance halls and skating clubs. See how much trouble then you will have. Haven't our boys fought for freedom?

Another Juvenile.

I read the communication of "the juvenile" to The Gettysburg Times of August 3. If it was not for the influence of the C.I.O. and the A.F.L. having laws passed not allowing the "juveniles" to have jobs and "education," they must have recreation. If they would work like the older generation did in their young manhood and girlhood days, our courts would not be full of the juveniles. Twenty years ago we did not have a whole string of paupers living off the taxpayers' money which is called relief.

A Times Reader.

Please write this in your paper. Here we are shut in like flies, or should we say mosquitoes flocked around a light with a book to occupy our brain.

When the Burgess was running for his past election he said he would get rid of the mosquitoes in G-burg; are the juveniles considered mosquitoes? Or aren't we even being considered?

Wouldn't it be a crime if the (Please Turn to Page 5)

WAR INCIDENT NOT UNLIKELY IN BALKANS POT

By DEWITT MACKENZIE

AF FOREIGN AFFAIRS ANALYST

Greece's bitter effort in the United Nations membership committee to keep Albania from joining the world organization is the reflection of a mighty dangerous situation in the Balkans.

Vassili Dendramis, Greek representative to the U. N., charges that Albania is "not a peace loving state" as required for admission, and accuses her of staging 21 incidents on the Greek-Albanian frontier. The two countries, he maintains, have been at war since 1940.

On the other hand Dr. Ali Kuci, resistance leader in Albania's wartime underground, denies these allegations and says the Greeks are waging a war of nerves in efforts to get northern Epirus which Athens asserts Greece has provoked such border clashes as occurred.

Affects Big Powers

This imbroglio between Greece and Albania, however, is of small importance in itself. What matters is that the gods of war, who through the centuries have favored the fiery Balkans as a center of operations, are playing a game in which these two small states are chessmen. In the background are two major world powers—Russia and Britain—which are eyeing each other closely, for the Soviet regards the Balkans as its zone of influence, and England is bent on maintaining its domination of Greece as a vital politico-military base—the last rightist beachhead on the Balkan peninsula.

The situation is intricate, as benefits the Balkans. Albania is to all intents an appendage of Yugoslavia, which is ruled by Marshal Tito. The marshal backs in the favor of Moscow and the signs are that upon his shoulders rests the task of safeguarding Red interests in Greece.

Yugoslavia has a large military force along the Greek frontier. So does Albania. And across the border within Greece itself a strong corps of Greek Communists has been established.

Troops Patrol Borders

The other side of the picture is this: The Greeks, I am told by a good source, have from 60,000 to 70,000 troops under arms, and many of these are in that northern area facing Yugoslavia and Albania. And Britain is said to have some 30,000 to 40,000 troops in Greece.

One doesn't have to be the seventh son of the seventh son of a prophet to recognize that this situation which at present basically is a conflict of ideologies, is also as explosive militarily as a block-buster. Should full-blown war come between Greece and the Albanian-Yugoslavian allies on the north, no man could tell how far the conflagration might run. It easily could mean another world conflict.

While both sides are eyeing each other across their gun-sights, each is busy politically.

\$400 ROBBERY HERE IS PROBED

More than \$400 was taken from S. F. "Pappy" Swope's service station, Carlisle street, after noon Monday, borough police said today.

Adding that "one good fingerprint" was found at the scene of the crime, the local officers said that whoever took the money apparently was familiar with the hidden compartment in which the bag of money was placed.

The thief or thieves removed paper money and checks from the bag leaving the bag and the silver money in it in the compartment.

The loss was discovered Monday evening by Julius Swope, son of the proprietor, when he opened the bag to place additional money in it at closing time. He had previously placed some money in the bag at nighttime, he told police.

Two Drivers Are Charged By Police

Richard A. Souders, McConnellsburg, has been charged by state police before Justice of the Peace W. D. Brown, Straban township, with not having an operator's license. Clark D. Warner, Hanover R. 2, was charged before Justice James D. Moore, Hanover, by local state police with failure to signal on making a left turn. Ten-day notices were sent in both cases.

Weddings

Stambaugh—Matthias

Miss Edith L. Matthias, daughter of Mr. and Mrs. Oliver Matthias, Littlestown, and Howard E. Stambaugh, Jr., son of Howard Stambaugh, Hanover, were married Saturday afternoon at 4 o'clock in St. Mary's Lutheran church, Silver Run, Md. The single ring ceremony of the Lutheran church was performed by the pastor, the Rev. Frederick R. Seibel. They were attended by Mr. and Mrs. Gerald W. Good, Hanover.

Following the ceremony the newlyweds left on a short wedding trip, and upon their return will reside at 20 Ridge avenue, Hanover.

The bride is a graduate of the Littlestown high school, class of 1939, and attended the York school of beauty culture. She is employed by the Modern Beauty shop, Hanover. The bridegroom is a graduate of the Eichelberger senior high school, Hanover, class of 1941. A veteran of World War II, he served for 42 months in the United States Army, and since his discharge has been employed by the Myers Drug Store, Center square, Hanover.

Eyer—Miller

Alice G. Miller, daughter of Mrs. Rosie Greene, Waynesboro, and Pfc. Clarence A. Eyer, son of Mr. and Mrs. Roy Eyer, Fairfield R. 1, were united in marriage Sunday afternoon at 4:30 o'clock in St. Stephens Reformed church, Highfield, Md. The single ring ceremony was performed by the Rev. Claude H. Corl. The bride was attired in a white eyelet dress with white accessories and wore a corsage of red roses. She is employed by the Waynesboro laundry.

Pfc. Eyer recently returned from Germany.

Roth—Palmer

An altar banked with white gladioli, snapdragons, ferns, and delphinium formed a lovely setting for the wedding of Miss Dorothy Irene Palmer, daughter of Mr. and Mrs. R. L. Palmer, Hagerstown, and Preston C. Roth, son of Mr. and Mrs. Earl Roth, of Norristown.

The ceremony was performed at the St. John's Lutheran church, Hagerstown, at 3 o'clock Saturday afternoon, with the bride's pastor, the Rev. Dr. J. Edward Harms reading the nuptials.

They will reside at 129 Chambersburg street, Gettysburg.

The bride was graduated from the Hagerstown high school, class of 1943, and attended Lenoir Rhyne college. She graduated from Gettysburg college, where she was a member of the Delta Gamma sorority, with the class of 1946. Mrs. Roth plans to teach in Arendtsville beginning in September.

Mr. Roth served in the army for 36 months and is now attending Gettysburg college, where he is a member of Phi Gamma Delta fraternity.

Vincent—Huff

Miss Grace Huff, 55 East Stevens street, and Edward Vincent, East Berlin R. 1, were united in marriage at 2:30 o'clock Saturday afternoon by Rev. Glenn L. Stahl, Taneytown.

The bride was attired in aqua with white accessories. Her corsage was of white lilies and white rosebuds. Miss Frances Shultz, niece of the bride, was her attendant. Her dress was rose with white accessories and a corsage of white lilies and white rosebuds.

The groom wore a gray pin-strip suit. His attendant was Kenneth Andrew.

The couple will spend most of their wedding trip in Illinois.

Spalding—Hoffacker

Miss Mary H. Hoffacker, daughter of Mr. and Mrs. Ralph J. S. Hoffacker, Hanover, became the bride of James H. Spalding, son of Mr. and Mrs. Howard J. Spalding, 31 West King street, Littlestown, Saturday evening at 8:30 o'clock at the home of the bride's parents. The Rev. Floyd Carroll, pastor of the Methodist church, Gettysburg, performed the double ring ceremony of the Methodist church, in the presence of many relatives and friends of the couple.

Preceding the ceremony, a fifteen-minute piano and vocal recital was presented. Miss Anna P. Newcomer played two selections, and Miss Mary Louise Spangler, Gettysburg, sang three solos.

The bride was given in marriage by her father. She was attended by her sister, Mrs. Glenn Bange, as matron of honor, and by Miss Peggy Spalding, sister of the bridegroom as bridesmaid. The bridegroom had as his best man, Henry J. Hoffacker, a brother of the bride, and Ralph Hoffacker and William Hoffacker, also brothers of the bride, served as the ushers.

Immediately following the ceremony, a reception was held at the home of the bride's parents for relatives and friends.

The newlyweds left on a brief wedding trip to New York and points north. Upon their return, they will reside at 31 West King Street, Littlestown.

William Fred McClellan, Biglerville, has been charged before Justice of the Peace Robert P. Snyder by borough police with driving too fast for conditions. A ten-day notice has been sent.

NEW TURKISH GOVERNMENT BEING FORMED

Ankara, Aug. 6 (AP)—Recep Peker,

who fought beside Kemal Ataturk 23 years ago in the successful revolt against the Sultans, undertook today to form a new Turkish government replacing that of Premier Su-kru Saracoglu, which resigned last night in the face of heavy opposition to its domestic policies.

Saracoglu's resignation represented one of the greatest upheavals in Turkish politics since Ataturk died in 1938 and Ismet Inonu followed him as president. It was the result of popular dissatisfaction with domestic affairs, particularly the high cost of living.

The official Anatolia News Agency said the Saracoglu cabinet would continue to function until Peker, who served briefly as Saracoglu's minister of interior, announces the composition of his new government, possibly next Monday.

Same Foreign Policy

Reliable political sources said Peker probably would name new ministers to every one of the 14 cabinet portfolios except foreign affairs as a demonstration that the new government will stand firm on present Turkish foreign policy. Hassan Saka is the present foreign minister.

Dissatisfaction, climaxed by a short-lived demonstration staged by peasants and workers before the Parliament building last night became plainly evident in the elections two weeks ago, when 62 members of a new Democratic party of opposition were chosen deputies for the National Assembly which convened yesterday.

The Democratic party—which came into being with the lifting of the ban against opposition parties last December—immediately began a series of protest meetings, contending that there were irregularities in the election and maintaining that they had won far more than 62 seats given them in the official returns.

DEATH

Mrs. Sarah King

Mrs. Sarah Lydia King, 80, widow of Edward R. King, died suddenly this morning at 4 o'clock at the home of her son-in-law and daughter, Mr. and Mrs. Thomas E. Dehoff, Littlestown R. 1. Mrs. King first complained of feeling ill Monday evening.

She was a daughter of the late Mr. and Mrs. John Stair. Mrs. King was a member of St. Paul's Lutheran church, Littlestown.

Surviving are four children, Mrs. Dehoff, with whom she resided; Paul, York; Mrs. Mervin Shaffer, Hialeah, Fla.; and John, Hanover; a number of grandchildren and great-grandchildren; one brother, William Stair, Hanover, and one sister, Miss Susan Stair, Gettysburg.

Funeral services Thursday afternoon at 2 o'clock from the Little funeral home, Littlestown, conducted by the Rev. William H. Neidhammer, Hanover. Interment in Mt. Carmel cemetery. Friends may call at the funeral home Wednesday evening from 7 to 9 o'clock.

Revolver Club To Enter Shoot

Members of the Gettysburg club of the United States Revolver association will compete in the national championships of the association beginning September 1, and concluding October 6. Chief of Police Robert C. Harpster, who is governor of the local branch, announced today. Entry blanks have been received and may be obtained from the chief.

Local entrants will shoot on their own range, on a farm near Gettysburg. The scores will be sent in to Roy D. Jones, secretary-treasurer of the national association, Springfield, Mass. The Gettysburg club has about a dozen members. It was formed last spring.

Among the various classes listed are: any revolver; target pistol, pocket revolver; slowfire, novice; rapid fire, novice; free pistol, .32 calibre or larger (national course), and .22 calibre or larger (national course).

Chief Harpster said he would compete in the .32 calibre class. Most of the members of the borough police force are members of the club, and will also enter the competition.

LOCAL MAN SHOT

Earl Layton, 64 West Middle street, was wounded in the side when shot at a tavern about 10 miles west of York Monday night. It was reported here today. The wound was said to be not serious. Layton told friends here he had been shot by a returned war veteran who had been discharged as a psychoneurotic. The soldier is said to have shot Layton during the course of an argument.

HELD FOR COURT

Clarence Lochbaum, Gettysburg, presented no defense to a charge of driving an automobile without the owner's permission at a hearing Monday afternoon before Justice of the Peace John H. Baschore and was held for court. He was committed to jail in default of \$500 bail. Complainant was Glenn Sherman, York street.

ministers council meet concurrently with the conference to speed the writing of peace treaties for five beaten countries.

Interrupting debate in the rules committee on the hotly-argued two-thirds rule, Byrnes declared:

"In the United States we have a free press. Therefore the Soviet representative can be sure his attack against me has been published in the United States. I challenge him to see that my following statement is also published in the press of the Soviet Union.

U. S. Aid Cited

"When the Soviet had its back to the wall, the United States promised aid and we came to their aid. We have only admiration and respect for the people of the Soviet Union. And we won't let that admiration and respect be changed by any attacks by Mr. Molotov."

Molotov's interpreter, N. V. Pavlov, followed the secretary's address closely, leaning toward the speaker and straining to hear, then bending over Molotov at intervals to whisper snatches of the address.

Molotov, seated only six seats away from Byrnes, scarcely changed expression throughout the American's speech.

Byrnes declared that ever since Potsdam the Soviet Union had sought to restrict the participants in the Paris conference to the "smallest possible number" and that Molotov had attempted to have the foreign ministers council dictate to the conference.

made to defective stoves, Walsh said, but in numerous cases only a "small amount of cheap patching material was used, for which excessive prices were charged." The "victims" were usually told, he said, not to use their stoves or open oven doors for four days to allow the clay to dry. When the stoves were opened, the repairs in most cases were found to consist of a small "smear" of clay.

Walsh said he had no information as to the present whereabouts of the wanted men, but added that "we'll get them, sooner or later, even if it takes until next spring."

After spotting the league-leading Acme team a 4-1 lead at the end of the third inning, the power-laden State Highway rallied in the last two innings to score a 6-5 victory in the Community Softball League opener on the high school field before a large crowd.

Eddie Utz tripled with the bases all in the last of the third to give the Acme a comfortable lead but in the fourth the Highway tabbed a pair of runs on singles by Donaldson and Rohrbaugh and a pair of errors. A pair of walks, a passed ball and an outfield fly produced another Highway run in the sixth. The Highway put the game on ice in the final frame. Spahr and Hedman led off with singles. After H. King popped out, Everhart doubled to drive in the runs. The Acme rallied for a run in its half of the seventh when Carey was safe on an error and scored after successive hits by Arnold and Houck.

Moose Triumph
The Moose took the nightcap on the high school field 4-1, from Knox's Grocery. The winners scored single runs in the first, third, fifth and sixth frames while the Grocery-men tallied in the fourth. Baltzley and Baker composed the Moose battery while Felix and Cole worked for the losers.

On the college field the Marketeers upset the Ice and Storage outfit 4-2 to hold their slim lead for the fifth place.

The VFW blanked the State Guard in the second game at college 6-0 to keep alive their hopes for a playoff spot.

Tim Sanders, manager of the Ice and Storage, has announced he will rotate the game inasmuch as Bobby Farch, hurler for the Marketeers, recently pitched for the American Legion.

BENSWANGER TO STAY AT PITT

Pittsburgh, Aug. 6 (AP)—President Bill Benswanger of the Pittsburgh National league baseball club said today he would not leave the Pirates team if the team is sold to Frank E. McKinney, Indianapolis banker.

"Mr. McKinney asked me to stay with the club on a recent visit here," said Benswanger, who has held the president's job for 14 years. "I told him I would not desert him."

At Boston, asked to comment on the report that he will buy the Pirates for \$2,250,000 on Thursday, McKinney merely said that if he bought the Pittsburgh team he would have to dispose of the minority interest he owns in the Boston Braves.

Benswanger said that he did not know what position he would hold should McKinney buy the club.

"After all," said Benswanger, "he'll be the boss. I expect to help him over the rough spots for a while, but after that I don't know what I'll do."

He added that he expected McKinney to arrive here Thursday "or later."

Told that McKinney was elsewhere where reported to be planning to visit Pittsburgh tomorrow, Benswanger said:

"That might be so, although I have not received word from Mr. McKinney of a definite date."

Says Sale Imminent

Sam Watters, vice president of the Pirates, who has been connected with the club 40 years, was quoted as telling reporters in New York yesterday:

"The Pirates will be sold by the end of the week."

Attorney Charles J. Margiotti of Pittsburgh also was in New York where he planned to confer with National League President Ford Frick on his chances of purchasing the Pirates. Earlier reports had indicated Margiotti and McKinney had about equal chances in their bids for the team.

MICKEY OWEN QUITS MEXICO

Boston, Aug. 6 (AP)—Mickey Owen, who left a first string catching job with the Brooklyn Dodgers last April to play in the Mexican league, was reported back in the United States today, ready to return to his old post at Ebbets field—if organized baseball will have him.

Branch Rickey, Dodger president who said his information came from a mutual friend, disclosed that Owen had deserted the Vera Cruz club in the Mexican circuit, had arrived in Brownsville, Texas, and would seek reinstatement in the National League.

Owen himself could not be found up to an early hour today, but it was learned here that the catcher was enroute to his home at Springfield, Mo., and planned to appear personally before Commissioner A. B. (Happy) Chandler to ask his reinstatement.

Chandler, informed of the report at his Versailles, Ky., home, said he had "no comment."

Rickey said he "would intercede with Commissioner Chandler in Owen's behalf."

Chandler, at the time Jorge Pasquel and his four brothers were recruiting U. S. players for the Mexican league, stated that players who jumped south of the border could not be reinstated for five years.

BROOKS KNOW HOW TO BEAT PHILS, BRAVES

By RALPH RODEN

(Associated Press Sportswriter)
Brooklyn's ability to defeat the Boston Braves and the Philadelphia Phillies with almost monotonous regularity continues and manager Leo Durocher has the knack of yanking a faltering moundman at the right time.

With 101 games under their belt, the Brooks enjoy a 2½ game margin over the second place St. Louis Cardinals in the National league but only 33 complete games have been turned in by the Dodger hurling crew, 26 of them victories.

In 68 Dodger contests, Durocher employed 201 hurlers in bagging 36 victories and losing 32. Little Vic Lombardi leads the Dodger hurlers in turning in complete games, with 11.

Ten In A Row

The Brooks have thumped the Phils ten in a row and have taken the Braves 18 times against only three defeats.

The Dodgers pulled another game out of the fire last night as they trimmed the Braves, 7-4 before a total paid attendance of 41,645, the largest at Braves field in more than 13 years.

In an exhibition contest at New York, the Giants dropped a 3-2 decision to the New York Yankees and also lost the services of Johnny Mize, the senior loop's top home run hitter, for two to three weeks.

Mize suffered a fractured right hand when struck by a pitched ball by Joe Page in the first inning.

Butler Defeats Youngstown 9-1

(By The Associated Press)
Butler won a 9 to 1 victory over Youngstown in a middle Atlantic baseball league game last night.

The Oil City Pirates downed the Niagara Falls Frontiers, 6 to 1.

In a double-header, the league-leading Erie Sailors split with Johnstown winning the first game, 4-1, in eleven innings and losing the windup, 8-5.

PIRATES OBTAIN BASEBALL "FIND"

By TOM SHRIVER

Harrisburg, Pa., Aug. 6 (AP)—The Pittsburgh Pirates have a new infield prospect—a 21-year-old ex-G. I.—who is rated by his high school coach as "better" than Billy Cox, already proclaimed as one of the National league's outstanding rookies of 1946.

The Pirates went back to Cox's home town of Newport, Pa., for the diamond find—infielder Oscar Campbell.

Andy Kerr, who coached Cox when the present Pirate shortstop was learning the baseball ropes, said he recommended Campbell to the Pirates.

"Campbell is a great prospect, and right now I think he will be better than Cox," Kerr said. "He can cover plenty of ground, has a good eye, and I look to see him hit better than Billy."

Dinner For Cox

Kerr was here yesterday to honor Cox at a testimonial dinner given the Pirate shortstop, by Harrisburg sports writers.

Pirate Manager Frankie Frisch, principal speaker at the luncheon, said Campbell had already joined the club.

"I saw him briefly in a fielding drill and he looked good," said Frisch. "I will have to see him under fire before I can pass judgment on his ability."

Campbell, like Cox, first broke into baseball as shortstop for the Newport high school nnie. He followed Cox into service and recently received his army discharge.

Inter State League

Idle Harrisburg gained another half game on the Wilmington Blue Rocks in the Interstate league last night as Allentown edged the leaders, 1 to 0.

Wilmington now leads by seven games.

Sunbury strengthened its hold on fourth place with a double win over Lancaster, 4 to 3 and 6 to 0.

Last-place York defeated Trenton, 6-3, and moved within one and a half games of seventh.

Tonight's schedule: Allentown at Wilmington; Lancaster at Harrisburg. (Other clubs not scheduled).

Eastern League

Tommy Fine, the Eastern league's top pitcher, appears determined to hang up a successive victory mark that will stand for a long time to come.

The Scranton Miner righthander won his 17th in a row by blanking the Albany Senators, 2-0, last night.

In other games last night, the Binghamton Triplets shut out the Williamsport Grays, 5-0; the Hartford Chiefs beat the Wilkes-Barre Barons, 7-5; and the Elmira Pioneers scored a double victory over the Utica Blue Sox, 6-4 and 11-7.

Tonight's games

Scranton at Albany.
Wilkes-Barre at Hartford.
Elmira at Utica.

Plan Match For World Golf Title

White Plains, N. Y., Aug. 6 (AP)—Herman Barrow, recent winner of \$10,500 for his victory in the All-American open, and Lloyd Mangrum, Texan who won the U. S. open championship, today agreed to compete with Sammy Sneed of Hot Springs, Va., British open ruler, for the World's golf championship at George S. May's Tam O'Shanter course in Chicago, Sept. 7-8.

A fourth golfer, said May, will be the victor in the P.G.A. tournament at Portland, Ore., Aug. 19-25.

The World's championship will be a \$10,000 winner-take-all event of 36 holes, 18 on each day. In the event of a tie a play-off will be held on Monday, Sept. 9.

Sports Roundup

(Pinch Hitting For

Goshen, N. Y., Aug. 6 (AP)—About the last man around good time track to find out that the Hambletonian favorite, Chestertown, would be driven by Tom Berry tomorrow was Harry Whitney, who's only trained the colt since he's been a little shaver.

Whitney figured the colt would be steered by Harry Fitzpatrick, who handled him at Old Orchard, Me., last week.

But Fitz trains for E. J. Baker, the St. Charles, Ill., oil-man who owns the Hambletonian's second choice, Westfield Girl. . . and some of the boys didn't think it would be quite kosher for the trainer of the second choice to drive the favorite.

HIGH FINANCE IN

HAY BURNERS

The collection of gasps that went up here yesterday sounded like a B-29 tire getting a flat. . . . The occasion was when Walter E. Smith, the Los Angeles man who looks a little like Clark Gable and deals in Hollywood numbers, gave Bill Cane a \$40,000 check to buy Chestertown.

That's the most "cabbage" ever paid for a three year old trotter and the highest price for any trotter in 20 years. . . . Incidentally, when Smith starts to recite his businesses, it sounds like an employment agency giving you a run down on what it's handling today—movie producer, radio show operator, night club owner, aluminum furniture maker, horse owner, etc. and so forth.

After the Hambletonian, Smith is figuring on running Chestertown in stakes at Lexington, Ky., Illinois state fair and the \$50,000 trot at Hollywood next April.

If you don't think the Red Sox are "in", how about Larry MacPhail telling an autograph hunter the Yanks would win the pennant if Boston wasn't in the league?

Jim Tatum, the new Oklahoma football coach, has a three year contract calling for \$8,000 in 1946, \$9,000 in 47 and \$10,000 in 48. . . . After that — the Wolves — Dodgers now have 21 farm clubs.

WALKER'S SPREE REGAINS LEAD

New York, Aug. 6 (AP)—Dixie Walker, Brooklyn Dodger outfielder, went on a batting rampage during the past week that enabled him to resume the individual batting leadership of the National league while Washington's Mickey Vernon, retained first place in the American league's hit derby for the third straight week with a .357 mark.

The popular ballhawk of the Dodgers slammed out 12 hits in 22 appearances at the plate including games of Sunday to boost his average from .367 to .378 while Boston's Johnny Hopp, last week's pacesetter, collected only three bingles in 18 attempts and fell to second with .368.

Vernon amassed 13 safeties in 36 times to the plate while runner-up Ted Williams of the Boston Red Sox connected safely four times in 16 appearances at the dish to fall from .355 to .351.

Stan Musial of the St. Louis Cardinals held on to third place in the senior circuit although he slumped from .362 to .356. Johnny Pesky of Boston vaulted from fifth to third in the Harridge loop as he increased his mark four points to .327.

PLAYERS AND OWNERS AGREE

By JACK HAND

New York, Aug. 6 (AP)—Baseball is one happy family today with the Major leagues' policy committee reporting "agreement in principle" between players and owners on proposed contract reforms.

Not that any disagreement had been expected. It was pretty much of a cut and dried proposition that the players would bet substantially what they wanted. After all, the owners asked them to state their case and they couldn't very well turn a cold shoulder on their demands.

The diamond social revolution, mild in form, will cost the magnates more money in 1947. There can be no question about that. But in the long run, if the improved owner-player relations can snap the union threat and end the Mexican raids, the magnates will consider it cash well spent.

Minimum Wage

High on the list of matters to be discussed at yesterday's parley between the six-man policy committee, representing the owners, and the six-man player group was a minimum wage. The National league athletes had asked for \$5,500 and the American had set no figure.

When Chairman Larry MacPhail of the Major league committee announced "as far as the committee's recommendations are concerned mutual agreement in principle has been reached on all matters discussed," he included the minimum salary.

Because the owners believed it would be better to keep secret the exact details of their agreements until the August 27 meetings in Chicago, the exact minimum wage is not known.

The players will also get an allotment to cover incidental expenses during spring training. MacPhail indicated it would not be the \$5 per day that was asked, a sum he estimated would run into \$150,000 per year.

FIFTY YEARS AGO

Local Miscellany: There was a large attendance at the Conewago chapel picnic on last Thursday. The amount realized was about \$600. M. N. S. Dutera of this place, has entered into partnership with Mr. Victor Cushman, of Williamsport, Md., for the purpose of manufacturing brick at Williamsport, and they have commenced work on their new brick yard at that place.

The Democratic County Committee will meet at the Globe Inn on Saturday, August 8, to elect a County Chairman. Deputy Collector S. Miley Miller, the present chairman, will tender his resignation, because as he states, by the recent extension of the Civil Service, the Deputy Collectors are put in the classified list. Under these rules he declares he cannot act as chairman.

On Friday evening the Ladies' Aid society with their friends enjoyed a pleasant ride on the trolley which was beautifully illuminated with a variety of colored lights.

Dr. J. W. Tudor will build a frame dwelling on the Springs avenue. Joseph J. Smith has the contract.

On Saturday Sheriff McIlhenny sold the Driving Park tract to Philip Hennigh for \$2,105.

George D. Klingel, aged 28 years, was drowned on Sunday at Peoria, Illinois. He was a son of John F. Klingel, of Freedom township.

Wedding Bells: Mr. Jacob W. Brooks, of Washington, D. C., formerly of Emmitsburg, Md., and Miss Laura C. Wortz, of Liberty township, were joined in the bonds of matrimony, Wednesday, August 5. The ceremony was performed at the home of the bride by Rev. Charles Reinwald, pastor of Lutheran church, Emmitsburg, Md.

Marriages: Brown—Mummert. — August 2, by Rev. Peter Brown, William E. Brown, of Reading township, to Miss Mary Mummert, of Hamilton township.

Zinkand—Kappas.—On the 5th of July, by Rev. P. Sheeder, William Zinkand, of Harrisburg, to Miss Pauline L. Kappas, of near Gettysburg.

Reunion: A gathering of the Minnigh family, though not anticipated, was celebrated at the home of E. H. Minnigh in this place, by an impromptu reunion and dinner on Thursday of last week.

At an early evening hour, the company proceeded to Cemetery Hill by trolley cars, where a photograph of the family was taken by W. H. Tipton, Battlefield Photographer.

Republican County Convention: The Republican County Convention which assembled on Monday was one of the most numerous attended ever held. This was due to the large number of candidates and the large ticket to be nominated.

The following officers were chosen and the organization was effected: President, John S. Weaver, of New Oxford; Vice Presidents, Howard Harbaugh, Hamilton township, Jacob C. Schriver, Freedom township; Secretaries, Adam Black, Butler township, and Frank Garretson, Menallen township.

The new members of the county committee to represent Gettysburg are:

1st ward—Charles H. Wilson, L. H. Meals, Harry Sanders.
2nd ward—John H. Sientz, Calvin Gilbert, J. W. Garlach.
3rd ward—M. Comfort, J. J. Matthews, J. R. Scott.
Mr. L. H. Meals stated that the contest for chairman had been amicably settled. Hart Gilbert, Esq., had been agreed upon and he moved that he be elected by acclamation. This was done and the convention adjourned.

Personal Mention: Mr. and Mrs. Henry Barbehenn are visiting their son, Mr. Lewis Barbehenn, at Green Ridge.

Mrs. Trobert and children are visiting Mrs. Boblitz and sister. Miss C. Shindle, of Hagerstown,

Today's Talk

TIME AND THINGS

Time runs smoothly along, no matter what happens. War and peace are the same to it. All varieties of flowers are the same today as when we first learned their names in our youth. Gold, precious stones and all the elements that make up this earth do not mind the passing of time. They remain the same, excepting in the quality of their purity. That varies.

Man has made use of things that have advanced civilization, and many new discoveries have been gained to man's advantage, but he hasn't changed fundamentally. His viewpoints and his ideas, however, do change. Things he once loved, or thought he wanted, later he does not love and does not want. Time is the same, yesterday, today, and forever — it's our moods and personal selections that keep changing all the time.

After long years away, a return to the place of our birth, or our early home, gives us a distinct surprise. It isn't what we remembered or experienced. Something has dropped out. Time's passing does something to our vision. Perhaps there is something to the notion, as some suspect, that we change our personality every so often — some say every seven years. The fact remains, however, that we either tire or our mental processes do something to us that makes us see new light to old things.

We are enriched, nevertheless, by continual contact with those friends or those books that keep feeding us mentally and spiritually. They keep changing us into better and more intelligent human beings. Time's passing only adds richness to the experience that they offer.

Maturity usually brings on tolerance to us. We see the justice in universal good, and learn the foolishness of snobbery and high-hattedness. We also gain a new regard for the Golden Rule, a rule that, were it adopted universally, would put an end to all strife and all wars and bring to us the ideal of a One World, here and now.

We ought to do more with ourselves as time goes on. Be ourselves more, and less some Tom, Dick, or Harry! As a human entity, what possibilities lie within the shell of each one of us!

Tomorrow Mr. Adams will talk on the subject: "Silence."

VILLAGE — CITY

The cities, swollen, rich and proud,
Where most are strangers in a crowd,
Have lost some bits of happiness
The little villages possess;
For greatness ruthlessly destroys
Innumerable lesser joys.

The city people come and go,
And few of all their fellows know.
But those who walk a village street
Know everyone they chance to meet,
And on the way to store or shop
Have time to chat, with friends to stop.

Success and fame will have their cost!
Another joy to cities lost
Is trading down a dusty trail
To watch and wait and get the mail.
Though long or short that daily trip,
It means an hour of fellowship.

I wonder, as I join the file,
Is greatness, after all, worth while?
It seems the little towns possess
More time and ways to happiness—
For instance, one, that dusty trail
To walk and wait and get the mail!

MISSOURI VOTE HOLDS TOP SPOT IN 6 PRIMARIES

By JACK BELL
(AP Political Reporter)

Washington, Aug. 6 (P)—Voters in six states mark primary election ballots today, but President Truman's if-he's-right-I'm-wrong tag on Rtp. Roger C. Slaughter pinpointed national attention on Missouri's fifth district.

Slaughter's renomination bid is a Democratic contest, but the Republicans tossed in a barb when GOP National Chairman Carroll Reece said at Salt Lake City last week that "the PAC, the Pendergast machine and the President" have combined in a "purge" attempt.

Mr. Truman announced his opposition to Slaughter at a news conference here last month in which he cited the Missouri Democrat's opposition to administration measures, adding that if Slaughter was right the President was wrong.

Backing Axtell
Slaughter took up the challenge, saying that so far as he is concerned the President made the fifth district race a "test case" on "the future course of the Democratic party."

At his nearby home in Independence, Mr. Truman will vote today in the fourth district Congressional race, where Rep. C. Jasper Bell (D.) is seeking renomination. But there is a little doubt that he will be much more interested in the contest where Slaughter is battling with Enos A. Axtell, the President's friend, and Jerome Walsh, former OPA lawyer.

Walsh has the backing of most of the railroad brotherhoods. The President asked the Kansas City Pendergast organization to support Axtell.

May's Opponent

In Kentucky, Democrat John Young Brown, Lexington attorney and former congressman, and Republican John Sherman Cooper, Somerset circuit judge, won nominations of their parties in primaries held Saturday to vie for U. S. senator in November. W. Howes Meade, Paintsville, won a Republican nomination over four opponents to compete in the November general election against Rep. Andrew J. May chairman of the House Military Committee. May won Democratic renomination without opposition.

In another of today's primaries, labor takes a front seat in Virginia, where Senator Harry Byrd is seeking renomination for his third full term. Byrd has challenged Martin A. Hutchinson, his opponent, to say whether he is for or against the CIO-PAC and to outline the sort of labor legislation he would like to see Congress pass.

Hutchinson has said he did not ask CIO-PAC support, but Byrd contended the labor organization had given orders to its members "saying that you should be supported and I be defeated."

State Guard Out For Strike Duty

Connersville, Ind., August 6 (P)—Fourteen pickets were arrested by state police as the Rex manufacturing company was reopened Monday with state guardsmen and state police at the gates.

Other than for shouting by the pickets, which led to their arrest, the scene was quiet as workers streamed through the gates into the two plants, scene of a union jurisdictional fight.

Two hundred state guardsmen, ordered out by Gov. Ralph F. Gates in response to a request by Fayette county and Connersville officers, arrived early this morning. The state police on duty also were increased to 130.

The Rex employe pickets (CIO) were joined by several hundred pickets, also CIO, from the nearby American Central manufacturing company. A crowd of several thousand had gathered around the gates to the two plants.

Plane Crashes While Dusting With DDT

Libanon, Pa., Aug. 6 (P)—A Midtown pilot whose plane crashed while he was spraying crops with DDT was under treatment in a hospital today with a possible fractured skull, fractures of the nose, right leg and left ankle.

The pilot, Charles Zito, 34, employed by the Reigle airfield, near Campbelltown, was dusting soy beans on a farm near Palmyra with the war-developed insecticide Saturday at the time of the crash.

An official at the airfield said some of the DDT which escaped through a forward leak in the hopper apparently lodged in Zito's eyes, affecting his sight momentarily.

EX-EDITOR DIES

Washington, Pa., Aug. 6 (P)—William Christman, 88, editor and publisher of the old Washington Reporter at the time the paper was sold to the Washington Observer Co. in 1903, died at his home Saturday after a long illness. For the past 43 years, he had been engaged in the real estate business.

were the guests of Mrs. Margaret Buehler, Baltimore street, last week.

Miss Mary J. Sientz is visiting friends in Washington, D. C., and Wheatland, Va.

Consumer Price Index Goes Up

Pittsburgh, August 6 (P)—Families of moderate income in the Pittsburgh district paid 1.9 per cent more for goods they bought from May 15 to June 15, the regional office of the U. S. Department of labor announced yesterday. The national increase was 1.2 per cent.

The consumers price index for Pittsburgh was 134.7 per cent of the 1935-39 average with prices up 34.6 per cent over the figure at the start of the war in Europe in September, 1939.

DISPUTE LOOMS OVER FREIGHTER

London, August 6 (P)—The derelict American freighter American Farmer limped toward England today under her own power and in escort of a U. S. destroyer, with the British loudly claiming her as perhaps a \$4,500,000 salvage prize.

A maritime legal battle was shaping up in the din of British newspaper headlines which complained American ships had taken over the collision-battered freighter after a midjet British vessel had her in tow.

The 8,358-ton American Farmer and the freighter William J. Riddle collided 700 miles west of Lands End Wednesday.

A passing ship took off the crew of 50 and six passengers and the British freighter Elizabeth of 2,039 tons came alongside, attached towlines and started puffing and heaving away toward Wales. Soon afterwards the U. S. Destroyer Perry, the U. S. Lines freighter American Ranger and a tug arrived. The Elizabeth radioed its home office:

"A crew from the American Ranger boarded the derelict and ordered our crew to leave, hauled down our ensign and hoisted the American flag." The British Admiralty said it thought the message referred to the British merchant marine flag and not the Union Jack.

The Farmer carried \$2,000,000 worth of wheat and dried eggs for England and London papers estimated the ship was worth \$2,500,000 additional. She probably will dock in the Bristol area by the week-end.

Adjutant Defends Lichfield Superior

Bad Nauheim, Germany, August 6 (P)—Col. James A. Killian's former adjutant, who the prosecutor described as "one of the inner circle" in the 10th Replacement depot at Lichfield, England, testified in defense of his ex-commander Monday that he never saw any evidence of soldier prisoners being cruelly treated in the depot guardhouse.

Lt. Col. Robert Norton of Mount View, N. J., acknowledged under close cross examination, however, that he never was inside the guardhouse and that he did not actually know whether prisoners were subjected to beatings and other mistreatments which Killian, from Highland Park, Ill., is accused of authorizing.

The prosecutor, Major Joseph S. Robinson of New York city, brought out that the 32-year-old Norton rose in 26 months from second lieutenant to lieutenant colonel while serving under Killian and asked Norton whether that rise was not "rather rapid."

"I suppose so," answered the tall witness, a former chemist.

Steelers Arrive At Hershey Camp

Pittsburgh, Aug. 6 (P)—About 60 aspiring members of the Pittsburgh Steelers pro football squad were called Monday for the first practice session in the Hershey training camp.

Pre-season practice was scheduled this year in high hopes of snaring a pennant winner on the 14th try. Current optimism is based on the fact that Dr. John B. (Jock) Sutherland is now head coach.

District colleges are well represented in the squad preparing for the season's first game here September 20 against the Chicago Cardinals. Three are from Pitt, five from Duquesne, three from the West Virginia University and one each from Waynesburg and St. Vincent colleges.

G.O.P. Women Will Meet In Philadelphia

Harrisburg, Aug. 6 (P)—The third biennial convention of the National Federation of Women's Republican Clubs will be held in Philadelphia, September 26-27.

Mrs. Meade Detweiler, Jr., president of the Pennsylvania federation, said that Mrs. W. Glen Suthers, of Chicago, will preside at the convention. Mrs. Worthington Scranton, of Scranton, was named general chairman of arrangements.

The National federation claims a membership of more than 400,000 Republican women in 42 states and the District of Columbia.

DIES OF INJURIES

Spangler, Pa., Aug. 6 (P)—Injuries suffered in an automobile accident Friday proved fatal over the weekend to Joan Roman, 3, in the Spangler hospital. Mrs. Anna Weir, 22, of near Barnesboro, died in the same hospital of burns suffered when a bonfire ignited her clothing.

GROWERS FACE TOMATO LOSSES THROUGH STRIKE

Camden, N. J., Aug. 6 (P)—A \$4,900,000 crop of tomatoes, some 140,000 tons now maturing on vines of 3,000 growers in Pennsylvania and New Jersey, may be lost if Campbell Soup Company plants are closed by a strike, a company official insists.

E. W. Montell, manager of the company's agricultural department, asserted yesterday that "it is not possible for other processors to handle the share of the tomato crop intended for Campbell's because there simply is not sufficient processing capacity available in other plants."

A strike has been threatened by Locals 80 and 194 of the Food, Tobacco and Agricultural Workers Union (CIO), on charges the company is attempting to wreck the PTA and is violating the labor contract. "If the strike is called," Montell said, "there will be severe loss to farmers and to merchants and other members of the general public who are dependent upon the purchasing power of these farmers."

Company and union representatives hoed to affect a conciliation at a meeting today.

A strike would affect some 6,000 workers in plants here and in Chicago.

J. M. Hoerle, vice president of the Campbell firm, insisted the only issue involved is the continued demand of union officials for a closed shop. Hoerle said the PTA contract with the firm expires on March 1, 1947, and contains a "no-strike clause."

The union charges that the failure of the firm to pay \$500,000 in retroactive wages on time cancelled the contract.

Hoerle said the union is using the \$4,900,000 tomato crop "as a weapon to force the company into a closed shop."

Penna. Entry For 'Miss America' Title

Wellsboro, Pa., August 6 (P)—Eleanor Kramer of Lebanon will be Pennsylvania's representative in the annual "Miss America" beauty pageant at Atlantic City, N. J., Labor Day week-end.

Miss Kramer will bear the title "Miss Pennsylvania." She won over Jerry Coll of Pittsburgh, Corinee Clemenceau of Johnstown, Gloria Wood of Athens and Peggy Quature of Bridgeville.

State Code Will Be Used In Mines

Harrisburg, Pa., Aug. 6 (P)—Federal authorities have agreed to cooperate with Pennsylvania mine officials by placing the state code in effect at all bituminous mines now being run by the government.

Capt. N. H. Collisson, deputy coal mine administrator for the U. S. Department of the Interior said yesterday in a memorandum sent to all mine operators "compliance with the Federal Mine Safety Code in no way excuses non-compliance with state laws and rules or regulations."

State Secretary of Mines Richard Maize said last week that thousands of lives were being endangered by failure of the Federal authorities to observe the bituminous mine laws of Pennsylvania.

LIQUOR LOST

Pittsburgh, Aug. 6 (P)—Four firemen were injured and about 2,000 bottles of liquor were destroyed early Monday, firemen stated, when a blaze swept a state liquor store on the Boulevard of the Allies used acetylene torches to cut iron bars on the rear windows to fight the fire.

CIVIC PRIDE

Hastings, Neb., (P)—The Chamber of Commerce went to work in a hurry when one of the letters in Hastings' welcome sign blinked out.

Until repairs were made, the sign welcomed motorists to "Hastings."

RESTORING LAW'S RULE IN ATHENS

Athens, Tenn., August 6 (P)—McMinn county moved today towards the reestablishment of a constitutional government to replace a citizens' committee which assumed authority after a bloody election night battle forced the abdication of its top officials last Friday.

There was a possibility that the Quarterly court, which has the authority to fill any vacated county office, would meet to consider a successor to Sheriff Pat Mansfield and perhaps other county officials.

The committee announced yesterday that the resignation of Mansfield, last seen here early Friday after the end of the six-hour gun battle for the county jail, had been telegraphed to Gov. Jim McCord, who passed it on to the court.

Also slated for today was the formal certification of the election of a bi-partisan all-veterans slate of candidates for county offices, whose vigorously waged political campaign against the incumbent

Paul Cantrell Democratic administration was climaxed by the election day battle.

The 60 acres of the District of Columbia were ceded to the U.S. by Maryland in 1790.

National wealth reached its highest level in 1929, when it was \$362 billion, or \$2,987 per capita.

MANY NEVER SUSPECT CAUSE OF BACKACHES

This Old Treatment Often Brings Happy Relief

Many sufferers relieve nagging backaches quickly, once they discover that the real cause of their trouble may be tired kidneys. The kidneys are Nature's chief way of taking the excess acids and waste out of the blood. They help most people pass about 8 pints a day. When disorder of kidney function permits the excess acids and waste to remain in your blood, it may cause nagging backaches, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

LABOR LEADERS CLAIM VICTORY OVER RAILROADS

By MAX HALL (AP Labor Reporter)

Washington, Aug. 6 (AP)—Railroad labor leaders are celebrating what they consider a momentous victory over the railroads.

President Truman has just signed a bill which increases the benefits received by the 1,500,000 railroad workers in the form of pensions, life insurance, unemployment insurance, and sick pay.

It also raises the taxes of railroad workers and the railroads themselves, effective next January 1.

Introduced Two Years Ago

The bill became law after a long struggle in Congress, during which the rail unions worked for its passage and the Association of American Railroads opposed it.

The bill was introduced more than two years ago, in the House by Rep. Robert Crosser (D-Ohio) and in the Senate by Senators Burton Wheeler (D-Mont.) and Robert Wagner (D-N. Y.). For a long time it got nowhere. But this summer the House and Senate approved it by big majorities.

This being an election year, the labor leaders who sponsored the Crosser bill are working now for the re-election of Congressmen who helped put it across, and for the defeat of some who spoke against it.

Called "Discriminatory"

The railroads say the new law is financially unsound. They say it is "discriminatory class legislation," benefiting a particular group. They also say it will add \$100,000,000 a year to the operating expenses of the railroads.

The union leaders maintain that the act is perfectly sound, badly needed, and conservative in its benefits.

Here are the main things the law does:

1. It raises taxes in 1947. Rail workers at present pay a 3 1/2 per cent retirement tax, matched by another 3 1/2 per cent paid by the railroads. On January 1 this tax bill will go up to 5 1/2 per cent on each party; in 1949 to 6 per cent; and in 1952, to 6 1/2 per cent.

(Employees in other industries pay only 1 per cent social security tax but their benefits are not as large as those of railroad workers. Railroad workers are not under the Social Security Act; they are under the Railroad Retirement Act and the Railroad Unemployment Insurance Act.)

2. It will pay regular pensions to widows of railroad workers, starting January 1. Very few of these widows get pensions now, because the only way a worker had been

Idaville Defeats Barlow Nine 10-2

The Idaville baseball team defeated Barlow 10-2 in a game played Monday evening on the Idaville diamond. R. Finefrock hurled for the winners, allowing six scattered hits, walking two, hitting one batsman and fanning nine. M. Derr started for Barlow and allowed 14 hits, walked three and gave up seven runs. F. Finefrock relieved Derr in the sixth and permitted one hit, three runs and hit one batsman.

Idaville committed one error while Barlow made three bobbles. Gardner and Naugle were the umpires.

able to assure his widow a pension was to accept a reduced retirement pension for himself.

Something New

3. It will immediately increase the benefits for total disability, and starting January 1 it will raise the pensions for many retired workers in the lowest wage groups.

4. The unemployment insurance tax stays the same (3 per cent of the payroll, paid entirely by the railroads). But unemployment benefits are raised. Starting immediately, an unemployed worker can get benefits 26 weeks in a year, instead of 20. And the maximum payment is raised from \$20 a week to \$25.

5. In addition to unemployment insurance, the government will do something brand-new, starting July 1, 1947. It will pay railroad workers for time lost on account of sickness, accident, or maternity. Such benefits will be the same amount and duration as those for unemployment.

Makes Hole-In-One On Caledonia Course

The Rev. Clark Smith, of York and Caledonia, made a hole-in-one on the ninth hole, a 165-yard drive, on the Caledonia golf course over the week-end. He used a No. 6 iron.

The Rev. Mr. Smith was playing in company with his father-in-law, M. C. Jones, a co-owner of the course, E. E. Caldwell, Baltimore, and C. P. Orr, of Chicago and Caledonia.

It was the first hole-in-one made on the course this year.

Cheney, Wash. (AP)—For the first time in the school's 56-year history, men will outnumber women students at Eastern College of Education this fall, Registrar George F. Wallace reported.

Two pretty coeds, he said, asked him to keep the figures secret lest the prospect attract more women.

When he declined, one was philosophical:

"Oh, well, 50 per cent of the men probably will be married anyway," she said. But the other insisted: "Just think of that other 50 per cent."
